GreenHills Ventures, LLC., is a private investment company similar to a Family Office established in 2001 for the purpose of managing alternative investment assets and making direct investments in early stage companies in the United States. GreenHills Ventures is the General Partners which manages all the investment activities for direct investment activities for GH Fund I, GH Fund II and GH Wealth Management Holding. GH Fund II invests in early stage healthcare technology, medical devices, mobile, wireless, and cloud software companies in the \$1 - \$5 million range. In 2002, GreenHills Ventures launched GH Wealth Management Holding which aims to make follow on investments in early to mid stage companies in the \$5 - \$25 million range. GH Wealth Management Holdings is comprised of its private members clients who are seek to achieve returns through longer time horizons which are consistent with individual investment activities, family offices, and family trusts.
