About Manhattan Bridge Capital, Inc. (<http://www.manhattanbridgecapital.com>)

Manhattan Bridge Capital, Inc. offers short-term secured commercial loans to small businesses. Loans are secured by collateral such as real estate, receivables, and marketable securities and, generally, accompanied by personal guarantees from the principals of the businesses. These short term loans are generally for a term of one year. Most of the loans provide for receipt of interest only during the term of the note evidencing the loan and a balloon payment at the end of the term. The loans provide stated interest rates of 13% to 16%, but often at higher effective rates based upon points or other up-front fees.
